Discussion of a topic of concern to the University: standard of proof applied in student disciplinary cases

16 February 2018

The Registrary gives notice that she has received a request for the discussion of the following topic of concern to the University:

A discussion about whether or not the current standard of proof used in the University disciplinary regulations (beyond reasonable doubt) should be changed to proof on the balance of probabilities in student cases.

The request is supported by the following ten members of the Regent House:

R. H. ABBOTT
L. M. DELAP
P. DOMINIAK
A. L. ERICKSON
S. B. FRANKLIN
P. GOPAL
M. G. MORENO FIGUEROA
C. MORGENSTERN
T. L. H. PAGE
M. QATO
