* Contribution point.

Grade T is for staff who are studying for an approved qualification or undergoing 'in-service' training.

Training grade steps 1 to 5 not in use with effect from 01 January 2006.

UL and USL will be appointed to grades 9 and 10 respectively.

ULs may progress through service points 1–9 of grade 9.

USLs may progress through service points 1–3 of grade 10.

Readers will only be appointed to point 2 in grade 11 (step 63).

The contribution points in grades 9, 10, and 11 do not apply to ULs, USLs, and Readers; they apply to academic-related staff.

For academic staff other than Professors contribution will be recognised through the promotions procedure as now and not by use of contribution points.

The professorial minimum will be step 68 in grade 12.

Academic-related professorial-equivalent staff will be appointed on the contribution bands on grade 12 according to the HERA points boundaries for each level.

On 1 January 2010 the first contribution points on grades 2, 3, and 4 become service points.

Specific arrangements will apply to progression in service-related points on some grades in compliance with the Memorandum of Understanding. Note 7:
