

Faculty of Earth Sciences and Geography (continued)**M.PHIL. IN ENVIRONMENTAL SCIENCE***All lectures to be delivered in the Department of Geography, at times to be arranged*

MICHAELMAS 2010

LENT 2011

EASTER 2011

Spatial Data Analysis I

PROF. R. HAINING (Eight hours lectures and practicals)

Atmospheric Science

PROF. H. GRAF AND DR M. HERZOG (Eight hours lectures and practicals)

Reconstruction: Quaternary Science

DR N. ARNOLD, DR S. BOREHAM, PROF. J. A. DOWDESWELL, PROF. P. GIBBARD, DR R. C. PREECE (Fifteen hours lectures and practicals)

Techniques of Remotely Sensed Image Analysis I

DR B. J. DEVEREUX, DR G. S. AMABLE (Eight hours lectures and practicals)

Integrated Geographical Information Systems I

DR B. J. DEVEREUX, DR S. KEARSEY (Eight hours lectures and practicals)

Techniques of Remotely Sensed Image Analysis II

DR B. J. DEVEREUX (Eight hours lectures and practicals)

Integrated Geographical Information Systems II

DR B. J. DEVEREUX, DR S. KEARSEY (Eight hours lectures and practicals)

Environmental Applications of LiDAR Based Remote Sensing

DR B. J. DEVEREUX (Eight hours lectures and practicals)

Field-based remote-sensing techniques

DR M. BITHELL, DR S. BOREHAM, DR V. TSANEV, DR W. G. REES (Fourteen hours lectures and practicals)

Quaternary Landscapes

DR S. BOREHAM, PROF. P. GIBBARD (Eight hours lectures)

Quaternary Palaeoecology

PROF. P. GIBBARD, DR R. PREECE (Eight hours lectures)

Dissertation*Supervised by individual staff members***Dissertation***Supervised by individual staff members***M.PHIL. IN ENVIRONMENT, SOCIETY AND DEVELOPMENT***All lectures to be delivered in the Department of Geography, at times to be arranged***Core Modules***Introduction: M.Phil. E&D*

DR E. MAWDSLEY (One hour)

Environmental Policy and decision making

DR M. BRAVO, DR R. DOUBLEDAY, PROF. S. OWENS, DR B. VIRA (Sixteen hours)

Society, Culture and Human Development

DR S. RADCLIFFE, DR G. BURGESS, DR P. VITEBSKY (Sixteen hours)

Option Modules*Option 01: Urbanisation, development and environmental politics*

DR E. MAWDSLEY (Eight hours)

Option 02: Conservation and society

PROF. W. ADAMS, DR I. SCALES, DR B. VIRA (Ten hours)

Option 03: Political ecology and rural resources

DR T. BAYLISS-SMITH, DR R. SMALL, DR A. HIGAZI, DR E. WATSON (Eight hours)

Option Modules*Option 01: Urbanisation, development and environmental politics*

DR E. MAWDSLEY, MS S. FISHER, MS Y. TRUELOVE (Eight hours)

Option 02: Conservation and society

PROF. W. ADAMS, PROF. N. LEADER-WILLIAMS, DR F. HUGHES (Eight hours + one day field class)

Option 03: Political ecology and rural resources

DR T. BAYLISS-SMITH, DR A. HIGAZI, DR R. SMALL (Eight hours)

Dissertation*Supervised by individual staff members***Dissertation***Supervised by individual staff members*
