It has agreed that the report should be published on the Council website as soon as possible (<http://raven.intranet.admin.cam.ac.uk/committee/council/default.aspx>), together with the Finance Committee's comments, for the information of the University.

Amendment to the regulations for the KPMG Professorship of Management Studies: Notice

1 August 2011

The KPMG Professorship of Management Studies was established in the Department of Engineering by Grace 1 of 22 May 1985 as the Peat, Marwick, and Mitchell Professorship of Management Studies following an offer by Peat, Marwick, and Mitchell & Co to donate £750,000 over ten years to establish the Professorship. It was reassigned to the Judge Institute of Management Studies in 1994 and the title of the Professorship was amended in 1996 to reflect subsequent changes to the company's identity.

The income available from the Fund is no longer sufficient to pay the full cost of the stipend of the Professorship and, as it has not been possible to re-capitalize the Fund, KPMG has agreed to a proposal by the Faculty of Business and Management to amend the purpose of the original donation to allow spending of the capital and for the fund to be wound down after the retirement of the current holder of the Professorship, Professor Dame Sandra Dawson, in 2013.

The Council and the General Board have agreed that the regulations for the Professorship should therefore be amended with effect from 1 October 2011. The Council is submitting a Grace (Grace 2, p. 1152) to the Regent House proposing revised regulations.

Under the provisions of Statute D, XV, 17, the General Board will consider whether the Professorship should be continued or terminated when the tenure of the current holder ceases.
