Student numbers and examination statistics

The examination results statistics for 2012–13 and the student numbers publication for 2013–14 are now available on the Student Statistics Office website at <http://www.admin.cam.ac.uk/offices/planning/sso/studentnumbers/index.html>.

University Composition Fees

10 March 2014

In the following Notice the Council proposes amendments to the fees for certain categories of students. The current Fee Schedules and other information on University Composition Fees is available at <http://www.admin.cam.ac.uk/offices/planning/fees/>.

Fees for Home and EU postgraduate students in 2014–15

The Council proposes a rate of increase of 2.46% on 2013–14 fees for Home and EU postgraduate research courses for the academical year 2014–15, reflecting guidance from the Research Councils. The same increase will apply to those M.Phil. courses charged at the same rate as the Ph.D.

For all other Home/EU fees for M.Phil. courses, the Council proposes that the fees increase by 3.3% (the same increase as for non-regulated undergraduate fees for 2014–15), except where other proposals have been made by the Councils of the Schools or minor adjustment to the Schedule is needed. The fees are set out in the Schedule attached to this Notice.

The Council of the School of Humanities and Social Sciences has revised some of the fee increases for 2014–15 for certain postgraduate courses since the Notice published on 13 March 2013 (*Reporter*, 6301, 2012–13, p. 396) and these are reflected in the rates in the Schedule.

M.B.A., M.Fin., and M.St. courses

The Council proposes the 2014–15 fees for the M.B.A. and M.Fin. courses and certain M.St. courses which have been recommended by the relevant bodies as set out in the attached Schedule.

Fees for Overseas students in 2015–16

The Council proposes that:

- (a) Overseas fees for all continuing and new entrant undergraduate students be increased by 5% over the 2014–15 rates;
- (b) Overseas fees for all continuing and new entrant postgraduate students be increased by 5% over the 2014–15 rates (except for continuing Ph.D., M.Sc., M.Litt., Ed.D., Eng.D., and C.P.G.S. students whose fees are fixed for the duration of their course).

Additional increments for certain postgraduate courses in the School of Humanities and Social Sciences and the School of Technology from September 2015

The Councils of the Schools have recommended that the Overseas fees for the courses listed below should be amended, with effect from September 2015, as follows:

For the M.Phil. in Industrial Systems, Manufacture, and Management, the Overseas fee to be increased by £1,622 for 2015–16 (in addition to general inflation)

For the M.C.L., the Overseas fee to increase to £23,001 in 2015–16.

The Council is accordingly submitting a Grace to the Regent House (Grace 1, p. 439) for the approval of the fees set out in the Schedule attached to this Notice.

Proposed additional increments in Home and EU fees for certain postgraduate courses in 2015–16

The School of Humanities and Social Sciences and the School of Technology have proposed a number of baseline increases to Home and EU postgraduate fees to be implemented from September 2015 which will be included in fee rates submitted for approval by Grace in due course. These provisional increases are set out in the annex below.

Review of governance: Registry's Notice

In response to a request from the Higher Education Funding Council for England (HEFCE) in August 2011, the University agreed to review its governance arrangements in the light of the changing Higher Education context by the end of the 2013–14 academic year. In October 2013, the Council agreed to establish a working group to undertake a light touch review. The Council, at its meeting in February, received the working group's report, which the Audit Committee had already received and, for its part, approved subject to minor proposed amendments, and approved it for submission to HEFCE. That report is now published for the information of the Regent House at <http://www.admin.cam.ac.uk/reporter/2013-14/weekly/6342/CambridgeGovernanceReviewReport.pdf>.

GRACES

Graces submitted to the Regent House on 12 March 2014

The Council submits the following Graces to the Regent House. These Graces, unless they are withdrawn or a ballot is requested in accordance with the regulations for Graces of the Regent House (*Statutes and Ordinances*, p. 103), will be deemed to have been approved at 4 p.m. on Friday, 21 March 2014.

1. That the Table of Fees attached to the regulations for University Composition Fees (*Statutes and Ordinances*, p. 156) be amended for Home/EU postgraduate fees for 2014–15 and for Overseas fees for 2015–16, as set out in the Council's Notice, dated 10 March 2014 (p. 433).
2. That, on the recommendation of the Council of the School of Clinical Medicine, and with the concurrence of the General Board, the Florence Nightingale Foundation Professorship of Clinical Nursing Research, established by Grace 7 of 15 February 2012, be reassigned from the Department of Medicine to the Department of Public Health and Primary Care with effect from 1 April 2014.¹

¹ *Statutes and Ordinances*, p. 742. The academic work and major teaching commitments of Professor M. C. Deaton, the holder of this Professorship, are more closely aligned with colleagues in the Department of Public Health and Primary Care. The Departments of Medicine and of Public Health and Primary Care have been consulted and agree with the academic case for the reassignment. Professor Deaton supports the reassignment of her Professorship.

3. That the office of Director of Biotechnology be suppressed and the following consequential changes be made to Ordinances:²

By rescinding the regulations for the Director of Biotechnology (*Statutes and Ordinances*, p. 606) in their entirety.

By removing references to the Director of Biotechnology in Schedules C (i) 1 and C (vii) 1 (*New Statutes and Special Ordinances supplement*, pp. 60 and 80) and in the membership of the Council of the School of Technology (*Statutes and Ordinances*, p. 588) and the Chemical Engineering and Biotechnology Syndicate (*Statutes and Ordinances*, p. 605).

² When the Department of Chemical Engineering and Biotechnology was established by Grace 1 of 13 February 2008, the Council of the School of Technology agreed to give further consideration to the office of the Director of Biotechnology and the membership of the Council of the School at a later date. Following the retirement of Professor Chris Lowe as Director of Biotechnology, the General Board now promote this Grace on the recommendation of the Council of the School of Technology and the Chemical Engineering and Biotechnology Syndicate.
