UNIVERSITY OF
CAMBRIDGE

NOTE

The list has been published as early as possible in the Michaelmas Term for general convenience. There may therefore be a few changes that occurred in late September which are not included here.

Colleges are arranged in alphabetical order.

Names are arranged in order of seniority as determined by each College, and that order in most cases depends on the date of either the first or most recent election. When a Fellow has had more than one period of tenure, a date in square brackets refers always to a first election and in parentheses to a second or subsequent election. When a date in square brackets and a date in parentheses appear together after a name, these are true dates of election and the date before the name is a notional one which confers seniority.

The various entries reflect in certain respects different usages of the Colleges which have compiled them specifically for this publication. **Errors of fact should be sent direct to the Senior Tutor of the College concerned.**

Notices for publication in the *Reporter*, or queries concerning content, should be sent to the Editor, Cambridge University Reporter, Registry's Office, The Old Schools, Cambridge, CB2 1TN (tel. 01223 332305, email reporter.editor@admin.cam.ac.uk).

Copy should be sent as early as possible in the week before publication; short notices will be accepted up to **4 p.m. on Friday** for publication the following Wednesday. Inclusion of notices is at the discretion of the Editor.
