Notice of a benefaction

19 March 2018

The Vice-Chancellor gives notice that he has accepted with gratitude a benefaction of £93,000 from Crausaz Wordsworth Ltd and £45,600 from an anonymous donor to support Crausaz Wordsworth Fellowships at the Centre for Research in the Arts, Social Sciences, and Humanities. After supporting the costs of the Fellowship in the first year, the balance of the funds will be added to the endowment of the Interdisciplinary Research in the Arts, Social Sciences, and Humanities Fund (*Statutes and Ordinances*, p. 863) and will be governed by new regulations for the Fellowships (Grace 3, p. 462).

Proposed amendment to Grace 2 of 17 January 2018 (class-lists) for submission under Special Ordinance A (i) 5: Notice in response

19 March 2018

1. Further to the Council's Notices dated 26 January 2018 and 28 February 2018 (*Reporter*, 2017–18, 6493, p. 356 and 6497, p. 412), the Council has now had the opportunity to review the proposed amendment to Grace 2 of 17 January 2018.

2. The Grace as originally submitted would, *inter alia*, allow students to opt out from the publication of their names in the class-lists as reproduced in the *Reporter*. Complete class-lists would, as recorded in paragraph (g) of the Notice published alongside the Grace (*Reporter*, 6491, 2017–18, p. 308), continue to be circulated confidentially to Departments and Colleges for their internal use.

3. The amendment would make the following main changes to the new arrangements put forward by the original Grace:

- (i) the names of all those successful in examinations would be published in the *Reporter* in print and online, regardless of whether any of those individuals had chosen to opt out, with access to the online version being available at least to all those involved in teaching in the University or the Colleges;
- (ii) the same information would be included in a copy of the *Reporter* deposited at the University Library, to which those with reading rights would have access if they attended in person.

4. The Council has considered the terms of the amendment and has concluded that compliance with the amendment as regards the act of publishing in the *Reporter* and making available at the University Library the names of all those successful in examinations (whether or not they have opted out) is – in data protection terms – unnecessary and unlawful. Further, the Council has reviewed whether it can put in place any practical measures to reduce the data protection risks whilst remaining true to the intentions of the amendment and has determined that this is not possible.

5. The Vice-Chancellor, having consulted with Council, has concluded that in his opinion the proposed amendment is in substance and effect incompatible with the main purpose of the original Grace (namely to ensure compliance with data protection laws), and, exercising his authority under Regulation 11(a) of the regulations for Graces and Congregations (*Statutes and Ordinances*, p. 105), has ruled the amendment inadmissible.

6. The Vice-Chancellor's ruling deems the proposers of the amendment to have requested a ballot on the original Grace. The ballot shall take place in accordance with the Single Transferable Vote regulations and voting will open at 10 a.m. on Friday, 27 April 2018 and close at 5 p.m. on Monday, 7 May 2018.

In connection with the ballot, the Registry will arrange for the circulation of any fly-sheet, signed in accordance with paragraphs 6 and 8 of the Council's Notice on Discussions and Fly-sheets (*Statutes and Ordinances*, p. 110), which reaches her at the Old Schools by 1 p.m. on Tuesday, 17 April 2018. Fly-sheets may also be faxed to 01223 332332 or scanned (showing signatures) and sent by email to Registry@admin.cam.ac.uk. Fly-sheets must bear, in addition to the signatures, the names and initials (in block capitals) of the signatories.

Gender Pay Gap Report 2017

19 March 2018

The Council and the General Board have approved the University's Gender Pay Gap Report 2017, published in accordance with the provisions of the Equality Act 2010 (Specific Duties and Public Authorities) Regulations 2017. The report can be found online on the Inclusive Cambridge webpages at <http://www.inclusivecambridge.admin.cam.ac.uk> and the figures can also be viewed on the Government's gender pay gap viewing service at <https://gender-pay-gap.service.gov.uk/Viewing>.

Geological collections building: Naming approved

21 March 2018

The Advisory Committee on Benefactions and External and Legal Affairs has approved the naming of a new geological collections building for the Department of Earth Sciences (the construction of which was approved by Grace 5 of 19 July 2017) as the Colin Forbes Building. Dr Colin Forbes, who died in 2014, was a member of the academic staff of the Department of Earth Sciences until his retirement in 1983. This naming is in recognition of donations by Dr Forbes, including those to establish and enlarge the Forbes Fund (*Statutes and Ordinances*, p. 831) from which it has been agreed that £250k will be allocated to the costs of the construction of the building, and Dr Forbes' contribution to the work of the Sedgwick Museum of Earth Sciences.

3. Unless otherwise determined by Ordinance, General Board Regulation, or Notice published by the Faculty Board or other body concerned, all examinations shall be conducted in English and any coursework, essay, or other exercise for assessment shall be submitted in English.

4. In these regulations the term *examination* shall include any coursework, essay, or other exercise specified in the Ordinances or General Board Regulations governing that examination.

2. That a Genomics and Bioinformatics Support Fund be established in the University, to be governed by the following regulations:²

GENOMICS AND BIOINFORMATICS SUPPORT FUND

1. The benefaction of £500,000 received by the University, via Cambridge Enterprise, from the sale of shares held on behalf of the Mammalian Molecular Genetics Group, Department of Pathology, together with such other sums as may be received or applied for the same purpose, shall form an endowment fund called the Genomics and Bioinformatics Support Fund to advance research in the field of pathology and support the work of the Department of Pathology.

2. The Managers of the Fund shall be the Managers of the Bluegnome Molecular Genetic Pathology Fund.

3. Subject to Regulation 4, the income of the Fund shall be used as the Managers shall from time to time determine for any one or more of the following purposes:

(a) the support of the Genomics and Bioinformatics Facility through the purchase and repair of equipment for genomics and bioinformatics research;

(b) the payment of staff costs, including the stipend, national insurance, pension contributions, and associated indirect costs of posts or offices at the Genomics and Bioinformatics Facility or in the field of pathology;

3. That the Crausaz Wordsworth Fellowships be established in the University, supported by funds held as endowment in the Interdisciplinary Research in the Arts, Social Sciences, and Humanities Fund (*Statutes and Ordinances*, p. 863), to be governed by the following regulations:³

¹ The Council, on the recommendation of the General Board and its Education Committee, proposes the above changes to confirm that the English language shall be used in all examinations of candidates, unless otherwise determined, for example, in order to examine competency in languages other than English. The opportunity has also been taken to acknowledge that some provisions concerning examinations are now in General Board Regulations.

² The Council, on the recommendation of the General Board and the Faculty Board of Biology, proposes the establishment of the above Fund.

³ See the Vice-Chancellor’s Notice (p. 457).

CRAUSAZ WORDSWORTH FELLOWSHIPS

1. The benefaction received from an anonymous donor to be held as endowment in the Interdisciplinary Research in the Arts, Social Sciences, and Humanities Fund, shall be used to support Crausaz Wordsworth Fellowships at the Centre for Research in the Arts, Social Sciences, and Humanities (or a successor body).
 2. The income arising from the part of the endowment of the Fund representing the Crausaz Wordsworth Fellowship benefaction shall be used to provide awards to enable the release of one or more Crausaz Wordsworth Fellows from their teaching commitments in such manner as the Managers of the Interdisciplinary Research in the Arts, Social Sciences, and Humanities Fund shall determine. The Fellowship shall be open to University Teaching Officers and College Teaching Officers with the exception of members of the Faculty of Philosophy. The Committee of Management shall have authority to restrict admission to the courses in the interests of effective teaching.

⁴ The Council, on the recommendation of the General Board and the Committee of Management of the Language Centre as the body entrusted with the administration of the Fund, proposes these changes to confirm the interest of the School of Clinical Medicine in the distributions of the income of the Fund, which is used to provide instruction in modern languages without fee, primarily for science and medical students, and to provide bursaries for such students to attend language courses abroad. A sentence on advertising courses in the *Reporter* has also been removed, as alternative means of publicizing courses are now used.
