ADMISSION AND TICKETS

Admission to this occasion will be by ticket only.

All members and staff (including retired staff) of the University and the Colleges are eligible to apply for tickets to attend the Congregation and Reception. In order to allow the greatest possible attendance by such applicants, requests for additional guest tickets will not be accepted.

Applications should preferably be made online at: <https://www.cam.ac.uk/HD18-Reporter>

Those who prefer may apply on paper or by email, stating a postal address and their qualifying University and/or College affiliation. Postal applications should be sent to Honorary Degrees, The Vice-Chancellor's Office, The Old Schools, Trinity Lane, Cambridge, CB2 1TN, or emailed to HonDegsRSVP@admin.cam.ac.uk (which can also be used for queries relating to the Congregation).

The deadline for applications is Friday, 18 May 2018. If demand for places exceeds capacity, all applications received by that date will be balloted. Successful applicants should expect to receive their ticket in late May or early June and further details about the day will be included on the tickets.

Applicants who discover at any stage that they can no longer attend are asked to inform the Vice-Chancellor's Office promptly so that their application can be deleted and the place offered to others. Tickets already sent should be destroyed as they are **not transferable**.

TIMETABLE

Ticket-holders who are not processing will need to be in their seats in the Senate-House not later than 2.30 p.m. The Congregation is expected to end at about 3.35 p.m.

RECEPTION

There will be a Reception on the lawn in Senate-House Yard after the Congregation for all those attending. Refreshments will be served and there will be a marquee to provide cover.

ACADEMICAL DRESS

Members of the University attending are reminded that they are required by regulations in *Ordinances* to wear academical dress (although by custom others present do not).

Elections to the Nominating Committee for External Members of the Council

23 April 2018

Further to the Notice dated 2 March 2018 (*Reporter*, 6498, 2017–18, p. 442), the Vice-Chancellor gives notice of an election to fill the following vacancies on the Nominating Committee for External Members of the Council in the following classes:

- (c) one member elected by the Regent House from among those who at the time of election are members of the Council in classes (a), (b), and (c), to serve with immediate effect until 30 September 2021;
- (d) two members of the Senate elected by the Regent House, to serve with immediate effect until 30 September 2021.

No person may be a member of the Committee in class (d) who is a member of the Council or who holds any of the University offices of Pro-Vice-Chancellor, Registry, or Director or Deputy Director in the University Offices.

Further information about the Committee can be found in the *Statutes and Ordinances* (p. 113) and obtained from the Registry (email: registry@admin.cam.ac.uk).

The University is committed to a proactive approach to equality, which includes supporting and encouraging all under-represented groups, promoting an inclusive culture, and valuing diversity. Nominations from groups that are under-represented on the Nominating Committee are welcomed.

Nomination procedure and election timetable

The nomination procedure and election timetable for the elections is as follows.

In order to be eligible, a candidate for election must be nominated on a paper sent to the Vice-Chancellor at the Old Schools so as to be received not later than **12 noon on Friday, 11 May 2018**. The nomination paper must contain (a) a statement signed by two members of the Regent House, nominating the candidate for election and specifying the body and the class to which he or she is nominated, and (b) a statement signed by the candidate certifying that he or she consents to be so nominated. The candidate is also required to provide a statement of her or his *curriculum vitae* by the same date (see below).

The Vice-Chancellor would be obliged if nominations could be delivered to the Registry in the Old Schools during office hours. Documents which are submitted by fax to 01223 (3)32332 or scanned documents containing a signature or signatures sent to the Registry at Registry@admin.cam.ac.uk will also be accepted. Nominations will be published on the Senate-House Noticeboard as they are received; the complete list of nominations will be published in the *Reporter* on Wednesday, 16 May 2018.

In accordance with the regulations governing the elections (*Statutes and Ordinances*, p. 112), each person nominated for election is required to send to the Registry, not later than **12 noon on Friday, 11 May 2018**, a statement of her or his *curriculum vitae* for distribution to members of the Regent House with the voting papers. It is suggested that such a statement should be of not more than 500 words in length, and that it should cover the following points:

- the candidate's present position in the University;
- previous posts held, whether in Cambridge or in other universities or outside the university system, with dates;
- the candidate's reasons for standing for election, and the experience and skills they would bring to the role;
- a note of the candidate's particular interests within the field of University business.

If more than one nomination is received for each vacancy by the deadline, an election will be conducted by ballot under the Single Transferable Vote regulations. Online voting will open at 10 a.m. on Monday, 21 May 2018 and **close at 5 p.m. on Thursday, 31 May 2018**. Hard-copy voting papers and supporting materials will be distributed not later than Monday, 21 May 2018 to those who opted by 2 November 2017 to vote on paper; the last date for the return of voting papers will be **5 p.m. on Thursday, 31 May 2018**.

The Council welcomed the report, which was seen as a significant step in helping the University enhance its leadership role in understanding and tackling climate change. The Council will consider its response in detail over the next few weeks. It expects to publish that response and the Working Group report in full after the next Council meeting on 21 May 2018. The objective, as the report sets out, is to promote and execute urgent and tangible action to deliver a carbon neutral future. The University is already taking steps that must be further expanded in the areas of its investments, research, education, estate, and policy.
