Applications should preferably be made online at: <https://cam.ac.uk/HD24-Reporter>
Alternatively, postal applications may be made to Honorary Degrees, The Vice-Chancellor's Office, The Old Schools, Trinity Lane, Cambridge, CB2 1TN. **The deadline for all applications is Friday, 17 May 2024.** Tickets will be issued by early June and further details about the day will be included with the tickets.

Fitzwilliam Museum

18 April 2024

The following Notice is published to advise the University of works which are not considered to be a 'substantial alteration' within the meaning of Statute F II 3 and therefore do not require a Report but are nevertheless of interest or consequence to members of the Regent House (see *Reporter*, 6259, 2011–12, p. 498).

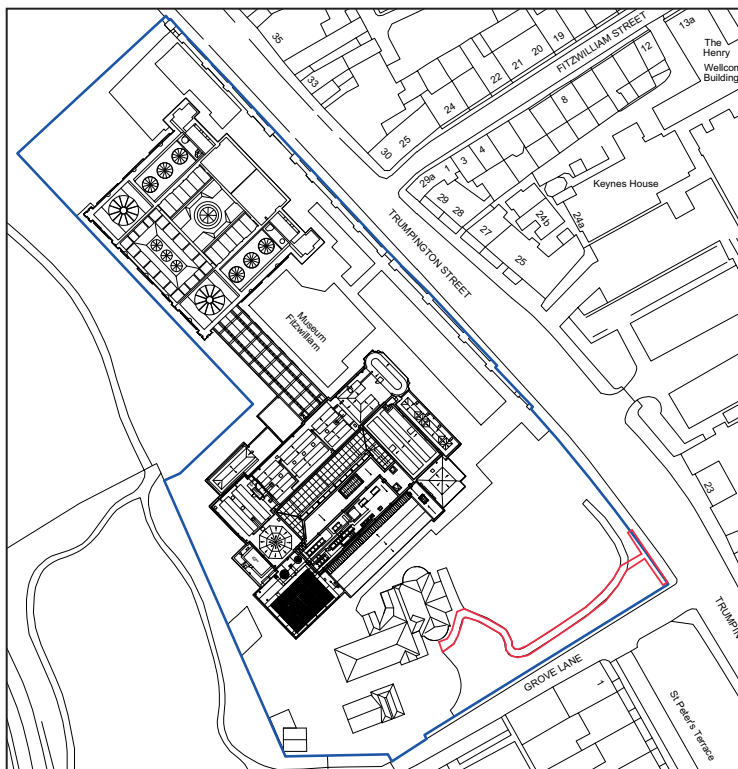

The Fitzwilliam Museum is a Grade I Listed building occupying a prominent position in the heart of Cambridge city's central conservation area. The original Founder's Building was designed by George Basevi (1795–1845) and completed after his death by C. R. Cockerell (1788–1863) and opened to the public in 1848.

The Fitzwilliam Museum has identified a safety risk to Museum staff cycling or walking along Grove Lane, which has no designated pedestrian path and is used by vehicles accessing both the Museum and Peterhouse. To mitigate this risk, the Technical Sub-committee of the Estates Committee has approved a minor works project to create a separate pedestrian route to Grove Lodge and other staff entrances to the Museum currently accessed via Grove Lane, as indicated in the drawing below.

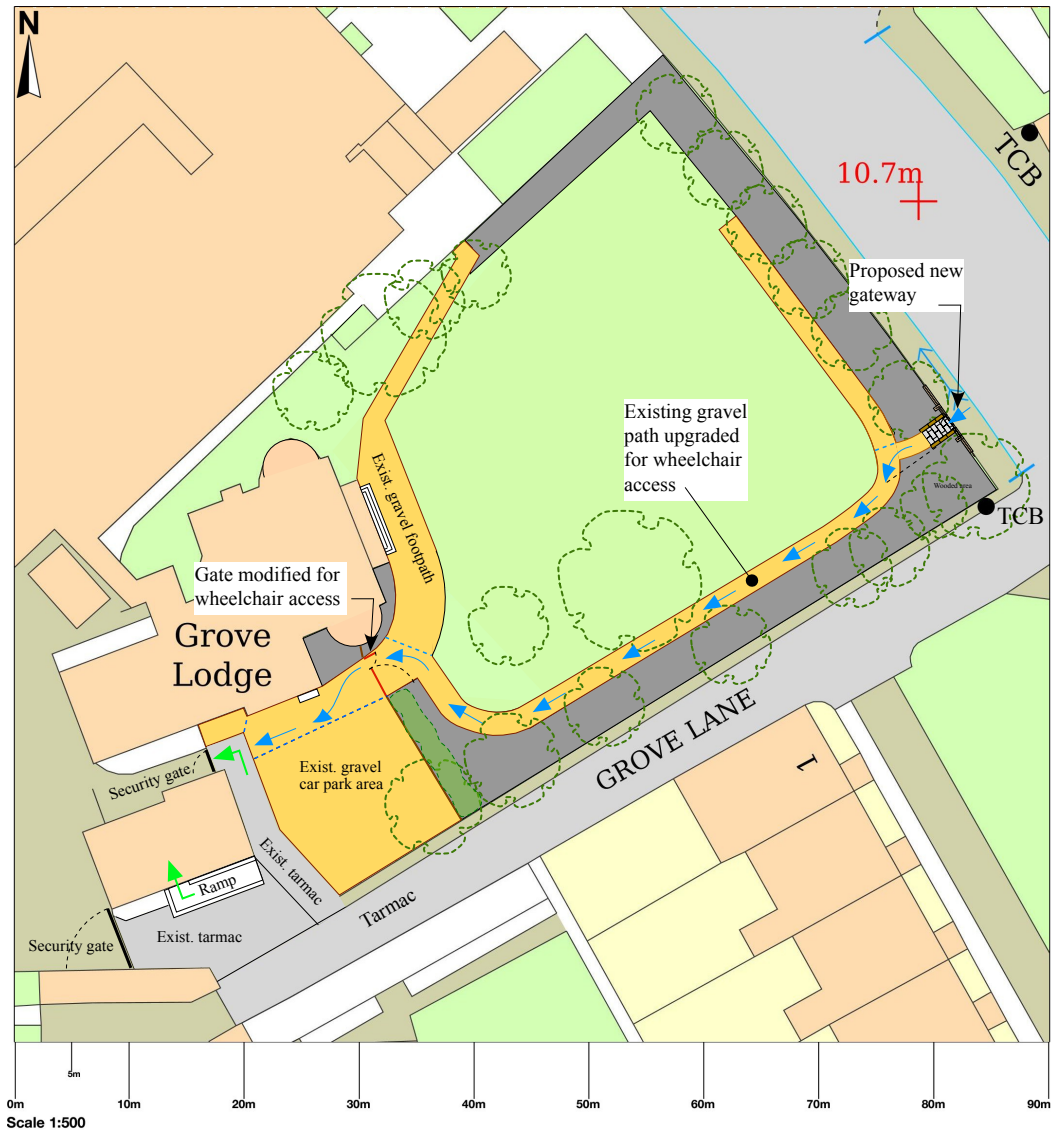

The project will involve removal of a section of railings from the Grove Lodge boundary wall, formation of an opening to the brick boundary wall and installation of a gate to match the existing railings. Listed building consent and planning permission from Cambridge City Council have been granted.

The estimated cost of the work is £176,000 and will be met from the University's Minor Works Fund. The work is expected to start on site in July 2024 and be completed during September 2024.

Dates of Full Term and of General Admission to Degrees, 2030–31 to 2039–40

19 April 2024

The Council is submitting a Grace (Grace 3, p. 504) for the approval of the dates of Full Term and of General Admission to Degrees for the ten-year period to 2039–40. The Council has consulted the Colleges about the proposed dates and no objections have been raised.

Dates approved by Grace 4 of 6 October 2010 determined the dates for the ten-year period to 2029–30. These new dates follow the existing pattern, with the beginning of the Michaelmas Full Term being the first Tuesday after 1 October and the Christmas and Easter vacations each being of approximately five and a half weeks. This pattern of dates means that General Admission in the years 2030–31, 2035–36 and 2036–37 will fall entirely in the first week of July.

Should any changes be necessary, for example, because of alterations in the pattern of activities nationally or in Cambridge, the Council will propose amended dates after consultation and with reasonable notice.
